

## DISCLAIMER FOR MEN'S HAIR SYSTEMS

I the undersigned have agreed during my hair replacement consultation that once service is completed, I may experience, tenderness, itching, emotional, over whelmed and that these things are a natural part of the hair replacement systems application process. I also understand that sensitivity tests to products prior to use will be done during the initial consultation.

I understand that if irritation occurs within 24 hours of sensitivity test or after fitting the hair system, that I am to inform the technician immediately and to give the technician reasonable notice in which to alleviate the issue, this in severe cases may mean not having a hair system fitted or the removal of the system after fitting but will not warrant a refund.

I am also aware that if I do not follow the aftercare advice given and use the products I am supposed to use and keep up with my maintenance appointments and matting and tangling occurs that I will not hold the hair replacement technician liable and will pay any necessary quoted fee for rectification.

I am aware that the technician cannot guarantee bonding lasting the full 4 weeks. Hair systems will not last an indefinite period without bald patches occurring which can appear in as little as **4 weeks**. I am fully aware of this and will not hold the technician responsible if this happens. Any fees for rectification or a new system will be paid should lifting or bald patches occur prematurely.

I have been offered the opportunity to read this disclaimer and aftercare sheet, along with being advised with associated costs with hair replacement systems and I am happy to go ahead with the service.

I accept full responsibility for all of the above and any reaction which might occur. I understand that after having the hair replacement system fitting by the technician that I am not due for a refund and will still have to pay for the technician's service once work has been carried out.

**Please note you are entering into a contract/agreement that once payment has been made and system is ordered or fitted that there are strictly no refunds as the system will be custom/fitted made/ to your requirements. A copy of our terms and conditions will have been emailed to you at the time of booking your consultation. If you are unaware or unsure of anything please refer to the terms and conditions or ask the technician to go through or give you a copy.**
